Approved by: *Matt Laible*  
Matt Laible  
Interim Communications Director

Presenters in Committee: Bridgette Bornstein, Communications Deputy Director

### **Financial Impact**

- No financial impact

### **Supporting Information**

The Minneapolis Telecommunications Network (aka Minneapolis Television Network, MTN) is required under state statute (Minn. Stat. 465.719, subd. 2, resolution 2003R) to provide to the City of Minneapolis an annual audit performed by a certified accountant or the State Auditor. The audit is customarily presented at MTN's annual meeting. However, there was no annual meeting this year. To ensure this requirement is fulfilled, staff recommends that the annual audit be received and filed at this time.
